

Burke Athletic Club - Inclement Weather Policy and Field Closure Procedures

BAC obtains field usage by partnering with both the county and school systems. It is the responsibility of the club (administrators, coaches, players and parents) to observe policies which will limit damage to the fields. Fields are most frequently damaged when they are subjected to use during wet conditions. We can minimize damage by observing the following policies:

Coaches who play or practice on closed fields could cause BAC to pay for the cost of repairing the fields or lose the use of those fields and will be held personally responsible for damage to the field and for monetary fines imposed by third parties.
